

Hello!

Just a few notes for the week. I am still hoping to hear from the Ft. Wayne coach about details for the weekend. I emailed her tonight and will let you know right away after I hear back from her. The list will come down for the weekend tomorrow night after practice.

There is no practice at the high school on Thursday due to the boys sectional meet.

Next Monday I will have you child's best times and a copy of the events for divisionals placed in your folders. I will need those back to me by next Wednesday with the events you would like to swim circled on them. I always encourage swimmers to swim as many events as possible at Divisionals.

Thanks!

Katie

Here is the email I received about this weekend. Thanks for being patient.

Summit is the same pool that Y State will be held at in a few weeks.

Katie,

I attached a zip file, you will find that we have been adding some 200's during our duel meets since we need to have qualifying times this year.

We will be having the meet at Summit Middle School and warm ups will begin at 12:30. The parents group for our team has asked me to let you know that they have been working on getting things set for state and with everything that they are doing to try and get everything around they have decided not to set a concessions up for the Feb 20th meet. Please let your parents know that everyone will stay on pool deck and that if they want any drinks or snacks they will need to bring them.

Thanks

Jackie
