CLASS DESCRIPTIONS

ALL FITNESS LEVELS

Barre Blast - Experience a 30 minute body toning routine combining dance inspired barre work and light weights with fat burning motion to sculpt lean muscle and strengthen your core.

Body Sculpt - Using a range of light to medium weights and other exercise equipment, you'll increase your heart rate for an effective fat burning workout that uses muscular endurance to promote definition. Abdominal work included.

Cardio Sculpt - You'll use a variety of techniques from body weight to free weights to develop strength in the muscles through upper body resistance exercises. This is a fun and exciting mix of both cardiovascular and resistance challenges to sculpt and shape the body.

Corebar® - You'll work your total body with a focus on activating and developing the core using a unique, weighted bar. Develop cardio, strength, conditioning, mobility, balance and agility.

Cycling - Enjoy our Matrix Coach by Color Bikes® and get an aerobic workout that's easy on your joints. Our indoor cycling classes simulate outdoor riding with sprinting, hill climbing, and other techniques.

Enhance®Fitness gets you moving. And because you're encouraged to move at your own pace, it's never more than you can handle. In fact, we'll meet you where you are and help you gain strength, flexibility, and balance. Geared towards older adults, and those with chronic conditions, such as arthritis. We have chairs for support and soft ankle and wrist weights when you are ready.

Fit After 40 - Try this class if you're looking for a full body workout including light resistance training and low-impact cardio in a circuit training format, but need it modified for troublesome joints.

H.A.B.I.T.- Hips, Abs, Buttocks, Incredible Thighs get all the attention. Cardio not included.

Interval Training - Start the day with a powerful and effective interval workout switching between cardio, weights and of course, you can't forget the abs!

Mat Fusion - Work toward greater flexibility with stretching techniques and beginning yoga and pilates moves.

Piloxing®- You'll get a cardio fusion of standing pilates, boxing and dance in this high-energy barefoot interval workout.

SilverSneakers® Yoga - Yoga will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and a final relaxation will promote stress reduction and mental clarity.

Stay Strong- Class for LIVESTRONG® at the YMCA class graduates only.

Step & Sculpt - Get your heart rate up using step aerobics and use a variety of exercises to tone and sculpt upper, lower body and ab muscles.

Total Body Solution - In just thirty minutes you can build incredible core and body strength, engage supporting muscle groups, stabilize joints, create explosive power and improve overall physical performance. Meant for busy people who need a short workout.

Totally Core- Need core and related leg muscles strengthened? Mat and standing positions to work all ab muscles.

Yoga - Work your way through a body of techniques to connect mind and body with slower movements to provide power and relaxation with deep breathing.

Zumba® - Dance your way to a fitter you with exciting and unique Latin moves and rhythms. A Latin/hip-hop dance fitness class that's great for all age levels!

BEGINNER FITNESS LEVEL

Beginner Body Sculpt- Using a range of light to medium weights and other exercise equipment, you'll increase your heart rate for an effective fat burning workout that uses muscular endurance to promote definition. Abdominal work included.

Cardio Dance Off -Join us for a fun, upbeat, and easy to follow cardio dance class! In this class you will get that heart rate pumping while learning fun dance moves in an easy to follow and laid-back format.

Intro to Group Fitness- For those new to exercise, you'll learn strength and cardio exercises while getting a total body workout. Proper form for each move will be demonstrated. A great way to build strength, endurance and balance in a fun and relaxed setting.

SilverSneakers® Classic - Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; a chair is used for support.

Zumba® Gold - If you are an active older adult, a true beginner, not used to exercising or limited physically, Zumba Gold is done at a much lower intensity. The same great Latin styles of music and dance are used and it's just as fun as the regular Zumba classes. Zumba Gold classes strive to improve balance, strength, flexibility and the heart.

ADVANCED FITNESS LEVEL

Advanced Body Sculpt - You will build and sculpt muscles, strengthen your core and improve your cardio endurance while burning fat and calories in this high intensity class.

Boot Camp - Get a full body workout including strength, cardio, and abs. Body weight and various equipment will be used.

PiYo® - Experience this unique blend of Pilates and Yoga. Get your heart pumping with a variety of cardiovascular and body weight exercises while focusing on and strengthening your core, testing your balance and increasing your range of motion.

STRONG by Zumba™ - Enjoy the music of Zumba? This is a higher intensity body weight interval style strength training class, interchanged with lower intensity moves throughout the workout.

TRX® - Leverage gravity and your body weight to perform hundreds of different exercises on the TRX Suspension Trainer.
