Meet a Member

My husband Ben and I have two little kids, Grace (2) and Avery (1). We moved here from Chicago in May, and I was so excited to find the YMCA. It has been a perfect fit for us. Since I gave birth

to two kids so close together I needed to do something to lose the weight I was holding onto after their births. I decided to try a class called Zumba and I loved it! I can't believe all the fun I have had with everyone in my Zumba classes. And Kelly, our instructor, is so great and really humble when she teaches us. It's amazing to be able to dance and have fun while losing weight. Sometimes it can be pretty difficult to get out of the house and do things for yourself when you have kids. The childcare at the YMCA has really made it easy for me to be able to relax and enjoy my class since I know that my children will be well cared for. The childcare employees have always been very nice and my girls always enjoy themselves.

Winter I Registration

Members- December 10th

Community Members- December 17th

Session: January 7 to February 24

Stay motivated and fit this winter with a class at the YMCA! Keep your kids active and learning with swimming, gymnastics, dance or martial arts.

Remember as a Y member you have access to three facilities!

The Smith Street Branch in Warsaw

The Racquet Center on SR 15

The North Webster Branch in the Community

Center on SR 13

YMCA Youth Center

Through a grant from the Dekko Foundation, the Youth Center is being remodeled to include new flooring, lighting and paint, new kids' cardio equipment, a 50 inch TV, four new computers with internet access, a Ninetendo Wii with Dance, Dance Revolution, and new pool and air hockey tables. Renovations are scheduled to be complete by the end of December.

We Build Strong Kids, Strong Families, Strong Communities.
