Member of the Month

My husband, Steve, and I have been members of the YMCA since the Racquet Center became a part of the Y. We both are very active and enjoy the time we spend exercising. I play tennis twice a week and am very thankful for the friends I've made through the tennis leagues. Over

the years they have become trusted friends. The instruction has helped improve my game and challenges me to continue to do so. Steve enjoys both men's tennis and wallyball. It's a great way to exercise and have fun at the same time! Need help finding a league or instruction? Call the YMCA Racquet Center.

YMCA Strong Kids Campaign

The Kosciusko Community YMCA volunteer Board Members have approved a goal to raise \$80,000 for the 2010 Strong Kids Annual Campaign to better serve the children and families of our community with quality programs and services. The funds raised go to support and assist those who cannot afford to participate. We are very proud of the fact that 100 percent of every dollar raised goes directly to families and the programs they participate in. Donations from last year helped families, kids and adults experience the positive effects of YMCA programs and activities. In 2008 \$116,008 was provided in scholarships and last year \$162,271 was provided. If there was ever a time to help, it is now.

We build strong kids, strong families, strong communities.
