Meet a Member

Our family has been coming to the Y for about 7 years, we utilize several different adult and children's programs. Erin is 10 years old and has been on the Sharks Swim Team for 2 years. She has learned that dedication and hard work pay off. She loves swimming and enjoys Coach Beehler and the other coaching staff. My husband Kevin and other daughter, Emily, who is 12 years old recently participated in the Indoor Ironman Challenge that took place at the Y. They started a little late but through a lot of determination they both finished. It was a great experience for the whole family, we all had to work together to motivate each other. I did not do the Ironman but I was able to get in a lot of workout time in helping out Emily to complete her challenge. We look forward to the YMCA's next big Challenge.
