Meet a Member

My name is Kaia Hummitch. I am 6 years old. I have been a member of the YMCA since I was a baby. I come to the Y every day. If I am not in Kids Station with my mom, I participate in tumbling. My favorite thing to do

at the Y is gymnastics!

I started taking Baby Bears gymnastics classes when I was 18 months old. I am now the youngest member of the Kosco Kippers gymnastics team. I began the team at Level 3 in the fall of 2007. At the end of this season I am now a Level 4.

I was scared to be in front of large groups of people. Gymnastics has helped me overcome my fear and gain self-confidence.

I could not have gotten where I am today without Coach Tonya. She believes in me and encourages me every day. I love being in gymnastics because it is fun. Coach Tonya has taught me the best things!
