YMCA Announces Registration for Church Volleyball League

Warsaw, IN – The **Kosciusko Community YMCA** will be hosting a coed church volleyball league at the Smith Street branch. The YMCA church volleyball league encourages the creation of activity based small groups in churches throughout our community. Through this league the YMCA hopes to provide opportunities to build interdenominational Christian fellowship.

Church members are welcome to invite friends to join them in the league; not all participants need to attend the same church. Each team should have at least six players but no more than ten, and three of the players must be female. All teams must field at least two female players at all times. A brief devotion based on Christian principles and character will be shared before each game.

The games will be played between 6:00 p.m. and 9:00 p.m. on Thursday evenings between April 2 and May 16. Teams should register before March 25 at one of Kosciusko Community YMCA's three branches or online at www.kcymca.org. Individuals interested in playing who don't have a team can still play; contact Andy Miller at 574-269-9622 for more information.

The Kosciusko Community YMCA, a not for profit organization, provides community based programs that build healthy spirit, mind and body for all of Kosciusko County.
