THE 4TH ANNUAL YMCA CORPORATE CHALLENGE

Warsaw, Indiana – Coming this September, the **YMCA Corporate Challenge** will once again be offering the exciting opportunity for company employees to work together as a team--building fitness, health, and company pride. A month long event featuring 25 events, the Corporate Challenge will consist of team activities such as: volleyball, softball, dodgeball, tennis, soccer, and 3 on 3 basketball. There will also be more individual contests such as: racquetball, cycling time trial, a 5K walk/run, and a swim meet. Each contest earns points for the company team. Last year's Corporate Challenge winner was Biomet.

This year, Biomet, Cardinal Services, Creighton Brothers, Depuy, and Zimmer are participating. Each of their teams may consist of up to 100 participants. Opening Ceremonies will take place on Saturday, September 19th. Events include a Tug-A-War contest, a putting contest, bagg-o, an obstacle course, the boat making challenge, a banner making contest, and a t-shirt design contest. New this year is the Sumo Suit Challenge.
