### **YMCA Before and After School Kids' Club Program**

Warsaw, Indiana- **The Kosciusko Community YMCA** will be offering a before and after school program again this year. This educational program focuses on reading and literacy, science and technology, arts and humanities, character development, wellness and fitness, homework support, service learning projects, and social development.

YMCA Kids' Club participants will do an arts and crafts project 3 times a week, a science project twice a week, and learn something related to health once a week. Every day, Kids' Club will do a large group fitness activity, receive homework support, play a game and learn about social development and conflict resolution. Each month the students will also participate in a service learning project; in August they will be writing letters to the troops.

Kids' Club will be at each of the local elementary schools: Eisenhower, Jefferson, Harrison, Leesburg, Lincoln, Madison, and Washington. The Kids' Club program will also be offered on-site at Claypool and Mentone this year.

Pick up information during Warsaw Community Schools' registration. Register at the YMCA Welcome Center. Call Lloyd Adams with any questions at 574-269-9622.

The Kosciusko Community YMCA, a not for profit organization, provides community based programs that build healthy spirit, mind and body for all of Kosciusko County. All the efforts and offerings of the YMCA are guided by the core values of caring, honesty, respect and responsibility. The Kosciusko Community YMCA does not deny any youth, adult, or family membership or participation based on their inability to pay. Need-based scholarships are available.

**We Build Strong Kids, Strong Families and Strong Communities.**
