YMCA Largest Loser Challenge

Warsaw, IN – The **Kosciusko Community YMCA** is hosting a spring Largest Loser Challenge starting this April. Two separate contests, one for adult contestants and one for couples, will run approximately three months. The contests are designed for those who need to lose weight, and would like some support, education, and a little competition to take charge of their health.

Being part of the challenge includes fitness classes instructed by personal trainers specifically for Largest Loser participants, an orientation to the fitness center, nutrition & exercise seminars, body composition tests, weekly weigh-ins, free use of the facility for nonmembers, and prizes for the adult and couple who win. Prizes include a free year of membership. The winner is determined by the adult or couple to lose the highest percentage of body fat during the competition.

Registration is going on now until March 31st. Pick up a participant packet at the Welcome Center.
