YMCA Largest Loser Challenge

Warsaw, IN – The **Kosciusko Community YMCA** is hosting a fall Largest Loser Challenge starting this October. The contest is designed for those who need to lose weight, and would like some support, education, and a little competition to take charge of their health.

Being part of the challenge includes fitness classes instructed by personal trainers specifically for Largest Loser participants, an orientation to the fitness center, nutrition & exercise seminars, body composition tests, weekly weigh-ins, free use of the facility for non-members, and prizes for the winner. Prizes include two 6-month memberships. The Largest Loser Weight Loss winner is determined by the highest percentage of body weight lost during the competition. There will also be a Largest Loser Dedication Award to whoever attends the most exercise and nutrition classes.

Registration is going on now until October 6. Pick up a participant packet at the Welcome Center.
