Scuba Offered at the YMCA

Warsaw, Indiana- If you have ever wanted to learn how to scuba dive, the Kosciusko Community YMCA is the place to learn. In this class you will receive both theoretical and practical training needed to prepare you for the thrill of open water diving. After completion of the class participants are certified open water divers.

This scuba class includes eight classroom and pool sessions and two sessions in the open water. The pool sessions are designed to increase confidence in the water. The first class session will start with swimming skills and move on to the use of a mask, fins and snorkel and by the second class participants will use scuba equipment underwater. Students need to furnish their own mask, fins and snorkel.

Scuba classes will be held February 2 through February 18 on Tuesdays and Thursdays from 6:00-10:00 p.m. in the Smith Street YMCA pool.

Register today at the YMCA Welcome Center or online at www.kcymca.org. Call Nancy Boston at (574) 269-9622 with any questions. Please register by January 18.

The Kosciusko Community YMCA, a not for profit organization, provides community based programs that build healthy spirit, mind and body for all of Kosciusko County. All the efforts and offerings of the YMCA are guided by the core values of caring, honesty, respect and responsibility. The Kosciusko Community YMCA does not deny any youth, adult, or family membership or participation based on their inability to pay. Need-based scholarships are available.
