YMCA ANNOUNCES T-BALL REGISTRATION

Warsaw, Indiana –T-Ball registration has begun at **The Kosciusko Community YMCA**. Here is your child's chance to put on a glove and give America's favorite pastime a try! The YMCA's t-ball program is for boys and girls ages 3 to 7.

The t-ball program gives children a chance to learn the fundamentals of t-ball/baseball such as throwing, catching, hitting and base running. All YMCA Youth Sports programs are designed to emphasize learning, character development, and fun over winning or losing. Modified rules will be used to ensure the greatest opportunity for your child to succeed.

You can register for t-ball until June 23rd. The t-ball games will be played on Saturdays from July 10th to August 14th at Lincoln Elementary School. There will be a short practice followed immediately by a 40 minute game each Saturday. Parents are encouraged to volunteer as coaches regardless of their experience level.

The Kosciusko Community YMCA, a not for profit organization, provides community based programs that build healthy spirit, mind and body for all of Kosciusko County. All the efforts and offerings of the YMCA are guided by the core values of caring, honesty, respect and responsibility. Within our available resources, every effort will be made to accommodate all who wish to participate in YMCA programs and services. Supported in part through contributions to the Strong Kids Campaign, the YMCA provides membership and program assistance through need-based scholarships.
