Things to Remember...

- 1. If bad weather hits Camp Little Eagle, all of the campers will be moved to the Smith Street YMCA and all parents will be called to let them know of the change. Your camper's safety is our number one priority.**
- 2. Every Friday, we have a cookout and all the food is graciously donated by you, the parents. I want to invite any parents who want to, to come out and enjoy the food with your camper. Thank you!**
