

Camp Little Eagle News

Lucerne Park, Warsaw
Weeks of July 26 and August 2, 2010

Camp Little Eagle would like to extend a huge THANK YOU to Rabb/Kinetico Water Systems. When the water fountain out at camp broke, they graciously donated a water cooler and all the 5-gallon water jugs we needed. Parents, if you see a Rabb worker, please tell them thank you from Camp Little Eagle!!

Week 8 & 9: Service Weeks

These two weeks of camp are very important, as the campers will learn about our community and ways that they can help out to make it a great place to live. We will spend time giving back to the community through volunteerism. We will visit many different places in Warsaw, including Combined Community Service (CCS), Grace Village, the Animal Welfare League (Humane Society), the Recycling Depot, and Millers Merry Manor. Come out to camp for these two special weeks and help us help Warsaw continue to be a wonderful place to live!!

Tooth Fairy (July 28th)

When a hard-hitting hockey player discourages a youngster's dreams, he's sentenced to one week as a real tooth fairy. As he slowly adapts to his new position, he begins to rediscover his own forgotten dreams.

*** The movie we will see on August 4th is a "Surprise Movie"**

Camp Little Eagle Fun Fact of the Week

Rabb/Kinetico Water Systems sells/distributes approx. 3,500 gallons of water each week. That means that each kid at camp would have to drink 68.75 gallons of water this week to reach that total. That's 68 milk jugs each..... IN ONE WEEK!!
