

Kosciusko Community YMCA

2007 Annual Support

The Kosciusko Community YMCA Board of Directors extends its sincere appreciation to all the members, volunteers, employees, community members and local businesses that provided financial support to the YMCA in 2007 through their time, gifts, grants and donations. Their generous support will give more people the opportunity to grow strong in spirit, mind, and body through the YMCA's vital community programs. Total contributions to the YMCA during 2007 were over \$150,000.
