

In our Community...

A child needs to be **safe and nurtured** while her parents work.

A toddler needs to **learn to swim.**

A kid needs to know they are a valuable **member of a team.**

A teen needs a place to **learn to lead** and be an adult.

A family needs a place to **play and relax** together.

The needs are great, but there's a way you can help. By making a donation to the YMCA Strong Kids Campaign, you help the YMCA provide membership or programs to kids and families who might not otherwise be able to afford them, helping to improve their lives and the quality of life in our community.

Your contribution to the YMCA Strong Kids Campaign goes directly to making YMCA programs and membership available to those in need. Your tax-deductible donation stays in your community. Thank you for helping kids grow strong in spirit, mind and body!

YMCA
We build strong kids,
strong families, strong communities.

YMCA Mission

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

In our Community,
a child is in need.
You can help.

Invest in Our Kids and Families

Why We Need You

We believe that every child deserves the experience of YMCA programs, regardless of the financial difficulties their family might be facing. YMCA programs such as child care, gymnastics, swim lessons, youth sports and tennis programs do more than teach skills. They also teach confidence. They teach responsibility. They teach young people to be strong in spirit, mind, and body. These experiences stick with kids, helping them to grow into healthy, contributing adults.

The Time is Now!

Please consider a tax-deductible donation to the YMCA Strong Kids Campaign. Your support provides the funds that allow us to offer membership and program assistance each year. Your generosity helps us to make a difference in the community. You can be part of that difference. Please give today!

Through your donation to the YMCA Strong Kids Campaign, you can:

Strengthen a family by helping to provide safe, fun and supervised before- or after-school care.

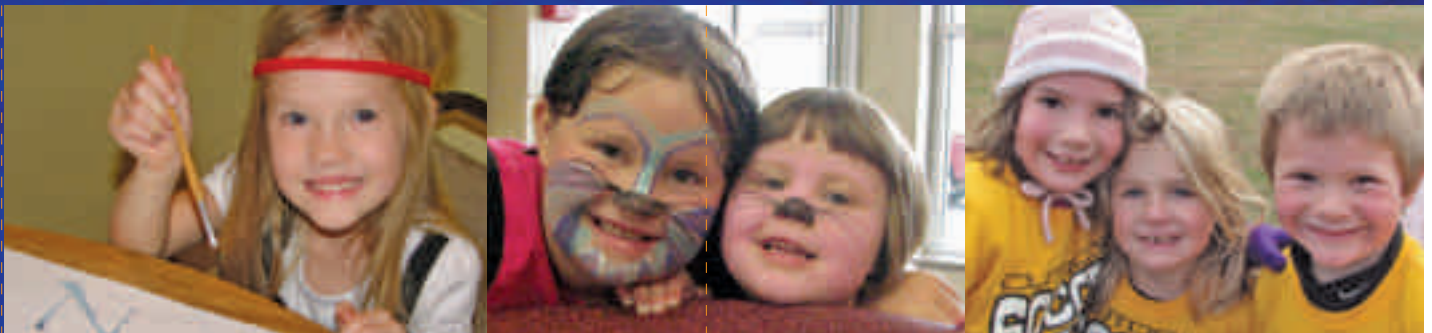

Teach a child a new skill such as **swimming** or sports or arts.

Develop a love of the **outdoors** in a youth at a YMCA Day Camp.

Surround a senior citizen with a caring community that offers fun and **fellowship**.

Provide a **safe**, values-rich environment for families to grow together as they play and relax at the YMCA.

Your support of the YMCA Strong Kids Campaign provides the funds that allow us to offer membership and program assistance each year. All contributions remain in our local community, giving children and families a chance to grow stronger in spirit, mind and body at the YMCA. While the need is great, the generosity of people just like you can make a difference. Please give today!

A Track Record of Success

Foundations Built to Last

From its beginning in 1965, the Kosciusko Community YMCA has been committed to opening its doors to everyone, regardless of income or life circumstances. This is our belief and value and a reason we have such a profound impact on generations of youth and families. Throughout our history, we have consistently helped to build healthy bodies, nurture future leaders and create connections among diverse groups. We are determined to do so in 2010 and beyond.

Foundations Built to Support

The Kosciusko Community YMCA volunteers have approved a goal to raise \$80,000 for the 2010 Strong Kids Campaign in order to better serve the children and families of our community with quality programs and services. The funds we raise go to support and assist those who cannot afford participation. We are very proud of the fact that 100 percent of every dollar raised goes directly to families and the programs they participate in. Donations from last year helped families, kids and adults experience the positive effects of YMCA programs and activities. In 2008 \$116,008 was provided in scholarships and last year \$162,271 was provided. If there was ever a time to help, it is now.
