*The times listed above reflect the best availability of our pool space. There is no guarantee that instructors are available during the times listed. Some private lessons can be scheduled during public lessons if instructors are available. While every effort will be made to find an instructor during the times you request, we are unable to guarantee all requested times. Thank you for your understanding.

Thank you for your interest in private swim lessons. Fill out this form, and our Aquatics Team will get in touch with you to finalize your registration. Please note this is only a request form. Submission of this form does not guarantee lessons. Due to pool schedule and instructor availability, lessons are not always immediately available. You will be contacted by the Aquatics Director or Lesson Coordinator who will work to schedule and instructor who can meet your request.

Payment is not due until you have arranged a lesson time with an instructor. You will be contacted when an instructor becomes available to meet your needs. Lesson times will be set up with the instructor.

Please bring proof of payment to the first lesson. Private lessons must be paid for at the member services desk prior to coming to the pool deck. Please show receipt to the instructor so they may record the receipt number for our records.

These lessons are 30 minutes long. Private lessons are one on one. Semi-Private lessons are two or three students with the same swimming ability and one instructor. Lessons can start at any time, however the instructors do have commitments to group lessons and we do our best to get them as close to your request. Class days and times will vary based on availability of staff and pool schedule.

Any age or ability can sign up for these lessons. Our staff can work with toddlers up to adults, beginners to the technically advanced, participants with diverse abilities and more.
