YOUTH SPORTS LEAGUES

At the Y, we aim to help everyone reach their full potential. Our focus is developing the person behind the jersey, on and off the field of play. Children will gain new skills, build character and develop a sense of belonging by connecting with positive role models.

TRACK AND FIELD | This program will introduce participants to the basics of Track & Field through engaging practices and meets. Running events will vary based on age, and will range from 25m to 800m. Field events offered include: softball throw, javelin throw (plastic javelin), high jump, long jump. Participants will participate in 2 running and 2 field events each meet.

CROSS COUNTRY | Healthy living meets healthy competition. This program will introduce participants to the basic principles of cross country running through engaging practices and meets. Our goal is to improve running ability and stamina while providing participants and families with tools to make healthy food choices.

OUTDOOR SOCCER | The YMCA's outdoor soccer league introduces children (ages 3-10) to the fundamentals of soccer. Our league offers a fun and encouraging environment where players will learn ball control and footwork.

BASKETBALL | The YMCA Youth Basketball League (Age 3-8) is a CO-ED league. Children will learn the fundamentals of dribbling, shooting, passing and defense.
