When a new instructor is training, more than one instructor might be present for the lesson. Classes with under 3 participants will be canceled and those participants will be moved to another class or receive a refund. Registration will take place as one class and children will be divided by age to their assigned instructor.*

*The YMCA's Youth Swim Program is designed so that the average student will spend approximately 12 months at each level. Coming in and working on a consistent basis is essential to developing swimming skills. We ask that you reinforce the skills learned in classes at our open swim hours two to three times a week.*
